Another love is mine now dear
Another love now is mine
I've waited on you all my life
Another love now is mine

You've treated me so heartlessly
You've treated me so unkind
You've treated me like I was some
Faded rose on the wine

I've waited all my life to see
The day that you would come
Another love is mine now dear
Another love now is mine

INSTR. BREAK

I've waited all my life to see
The day that you would come
Another love is mine now dear
Another love now is mine

Another love is mine now dear
Another love now is mine
I've waited on you all my life
Another love now is mine

You've treated me so heartlessly
You've treated me so unkind
You've treated me like I was some
Faded rose on the wine

I've waited all my life to see
The day that you would come
Another love is mine now dear
Another love now is mine
Another love now is mine
