I am a cowgirl  
I ride the range  
I like my horses  
I like pork and beans

The wind and the rain don't bother me  
The wind and the snow are my friends  
'cause I am a cowgirl  
I ride the range

INSTR. BREAK

I am a cowgirl  
I don't take care of men  
I just like my horses  
And not pigs in the pen

The wind and the rain don't bother me  
The wind and the snow are my friends  
'cause I am a cowgirl  
I ride the range  
I ride the range
